The trustees of the Foundation for Agrarian Studies grant the Foundation permission to publish, but retain copyright of their manuscripts. The Foundation for Agrarian Studies applies a Creative Commons licensing structure known as an Attribution-NonCommercial-No Derivative Works 3.0 license for the Schedule for Census of Households and Income Calculation Manual.

Under the terms of this framework, anyone is free to share, that is, to copy, distribute and transmit the work under the following conditions:

Attribution — You must attribute the work in the manner specified by the author or licensor. (but not in any way that suggests that they endorse you or your use of the work)

Noncommercial — You may not use this work for commercial purposes.

No Derivative Works — You may not alter, transform, or build upon this work.

With the understanding that:

Waiver — Any of the above conditions can be waived if you get permission from the copyright holder.

Public Domain — Where the work or any of its elements is in the public domain under applicable law, that status is in no way affected by the license.

Other Rights — In no way are any of the following rights affected by the license:

- Your fair dealing or fair use rights, or other applicable copyright exceptions and limitations;
- The author's moral rights;
- Rights other persons may have either in the work itself or in how the work is used, such as publicity or privacy rights.

Notice — For further details of legal rights on this copyright agreement, you may refer to <http://creativecommons.org/licenses/by-nc-nd/3.0/> and the relevant links therefrom.
